

365 GORE-TEX® LEATHER PANTS

ALL-WEATHER RIDING TOURING / SIZE: 48-60 EUR

\$ 1199.95

New technology specifically developed to use Gore-Tex® membrane in a Sport Touring pant combines protection and all weather use with a polished look. Pre-curved fit and specific positioning of stretch materials create a comfortable riding position for the longest journeys. -- Gore® PRO SHELL leather 0.8mm 3L, perforated gore leather 1.2mm 3L and Gore 3L® stretch material. -- Outer shell panels constructed to maximize perforation benefits and solid leather abrasion performance. -- Reinforced leather seat panel. -- Removable quilted thigh warmer. -- Fixed mesh comfort liner with built-in stretch inserts that move in unison with external stretch panels for flexibility and comfort. -- 3L Gore® taped outer shell seams. -- Removable CE certified Smart protection inserts. -- Removable CE certified PE hip protection inserts. -- Reflective stripes integrated into styling. -- Lower back, crotch and knee Gore® stretch inserts. -- Wide zippered lower leg gussets designed to fit both touring and sport boots. -- Zippers on removable hip protectors mounted on external side of pocket for comfort. -- 2 elastic inserts at waist for a close, comfortable fit. -- Waist connection zipper allows attachment to 365 Gore-Tex® Leather jacket or to any selected Alpinestars jackets.
