

# FRONTIER GORE-TEX® JACKET

ALL-WEATHER RIDING TOURING / SIZE: S-4XL

\$ 699.95

Extremely versatile and durable jacket for everyday, year round use. The Frontier jacket adapts to any condition – from rain storms to summer heat using layers and exhaust ports to regulate temperature and dedicated pockets for storing panels – and also offers excellent visibility for night riding and a relaxed riding position for long tours. -- Non water-absorbing micro twill fabric. -- Textured, highly abrasion resistant inserts positioned in the most exposed areas. -- Thermofomed shoulders with embossed logos. -- Removable and wearable Gore-Tex® SoftShell liner. -- Removable quilted thermal liner. -- Removable CE certified Bio-armor elbow and shoulder protectors. -- Internal chest and back protection compartments with PE inserts. -- Reflective stripes integrated into styling. -- Inner forearm stretch panel inserts. -- 2 large chest panels can be folded into a specific pocket to allow air ventilation. -- Extra large rear panel opens to function as an exhaust port for cooling. -- 2 external water resistant pockets. -- 2 internal mesh pockets on fixed liner. -- Neoprene edging on neck and wrists. -- External shell has micro fleeced collar lining for comfort. -- Fixed mesh comfort liner with built-in stretch inserts that move in unison with external stretch panels for flexibility and comfort and 2L Taslan contouring the liner to repel water. -- Drainage rivets sleeves, upper back panel and lower jacket edge. -- 2 way YKK front central zipper cursor. -- Reflective Alpinestars and Gore-Tex® logos.
