## MONZA LEATHER SUIT

RACING / PERFORMANCE RIDING / SIZE: 48-60 EUR

\$ 899.95

Performance and road riding one piece suit combines a relaxed fit for comfort with a sleek design. The Monza offers monochromatic colorways and a tricolor option to go with current sportbike brands. -- 1.3mm premium full-grain leather for outstanding abrasion resistance. -- Internal chest and hip protection compartments with PE padding inserts. -- Removable CE certified elbow and shoulder GP protectors with injection molded shell and dual density foam padding -- Secure snap connection system for Bionic Race protector. -- Alpinestars pioneered one piece CE approved knee/shin guards offer lightweight impact protection without compromising flexibility and comfort. -- Flat profile YKK Semi Auto Lock wrist zippers eliminate the need for a security flap. -- Shoulder, elbow, knee, calf and back accordion leather panels are made with .9mm full grain leather for

refined control, feel and fit. Panels use 4mm foam for a 3D shape and ultra soft surface, and incorporate the elastic support technology developed for Alpinestars footwear. -- Removable/washable mesh liner features built-in stretch inserts that work together with the external stretch panels for extreme flexibility and comfort. -- Reinforced stretch panels are located in the armpit, arms, crotch, and back of knees. -- High density perforation front paneling. -- Aerodynamic and ventilated Sport profile hump. -- Reduced number of external seams around knee for comfort. -- Contoured neoprene sleeve cuffs. -- Micro fleeced inner collar. -- PU Sport knee slider. -- Alpinestars webbing inside front zip. -- Alpinestars leather patch and printed logos.
