PERFORMANCE RIDING
SIZES PRODUCED: 36-50 EUR
CORRESPONDING TO: 3.5-14 US

All-round protection durable high-tech microfiber upper construction offering a high level of flexibility. -- Double injected PU shields the shin, ankle, calf, toe and heel from impact while minimizing abrasion. -- Inner protection is given by a double injected panel connected to the heel counter, hidden beneath the outer shell and running up the outer ankle. -- Quick drying polyamide lining is laminated with open cell foam and high density contoured padding to absorb shocks to the foot area. -- Innovative air vents at the ankle, heel and forefoot are covered with a specially designed mesh to provide unmatched levels of rider comfort. -- Large 'throat' profile instep and Achilles flex bellows for superior flex and comfort. MTP mesh liner and

anatomical, removable, PU Foam foot bed keeps the foot cool and comfortable. -- Innovative inner (medial) side entry opening/closure system that features an elastic mounted zipper with an extra wide velcro flap, to give a precise, comfortable fit and wide opening aperture for ease of access. -- Highly ergonomic lasting for ultra precise fit. -- Exclusive compound rubber sole features structured shank reinforcement for added support to the arch area. -- Interchangeable bi-injected PU toe slider with snap-in assembly. -- A fully vented version is also available in Black. -- The S-MX 5 boot is CE certified.
